Creating a staff portal short-cut on your phone

To save time you can create a Staff Portal shortcut on your home screen to quickly check CoolCare. Adding the short cut to your home screen will quickly direct you to the Staff Portal for CoolCare and display the log in screen for your convenience.

If you have an Android device, use Chrome as your default browser option on this device. If you are using an iPhone use the Safari as your default browser on this device.

Android Phones

The guide detail below will enable you to setup a shortcut on your home screen where you have an Android device.

- Open Google Chrome on your phone
- If you do not have it installed on your phone, you may need to download it from the Playstore
- Copy and paste or type into the bar, the web address that was issued by your care home. Here is an example of the address. The xxxx will be the name of your care home group.
- coolcare4.com/xxxxx/portal

Take care to type the address exactly as shown, it is case sensitive and will not work if mistyped.

CoolCare 4	× +		—		×
